## MESSAGE FROM PRINCIPAL'S DESK

Nursing is one of the strongest pillars that the Medical Profession stands on. It is the back bone of the Hospitals. It is the noblest of all professions and in immense demand globally offering a highly rewarding career and job satisfaction. The profession revolves around taking physical as well as psychological care of the sick and vulnerable group providing holistic care. By providing high-quality nursing education, we can produce competent and skilled nurses who can contribute to the healthcare industry's growth and development.

I am confident that the college will continue to provide quality education and shape the future of its students. With dedicated Faculty and Staff, Santosh Nursing College gives a platform to develop a student Nurse as a holistic being with positive attitude.

## ABOUT THE COLLEGE

Santosh Nursing College was started in the year 2003 in Ghaziabad, Uttar Pradesh. Many blossoms have come with their degree and diploma. Nursing Education at Santosh College of Nursing has its impact in creating competent professionals who are committed to high degree of professional engagement and holistic healing. These emerging Nursing professionals need to be exposed to the inter-disciplinary approach of clinical research which will pave way for true scientific innovations for India as a Nation. Our focus is on overall development of an individual geared towards addressing not only the ongoing health challenges but also emerging existing health issues of the 21st century.

We offer you the opportunity to make most of your time in learning and building competence in the art of Nursing. We are well equipped with eminent faculties who work efficiently to uplift the standards of the students. Our labs are well facilitated with equipment, mannequins to train the students to become confident in performing the procedures. Santosh Medical College and Hospital provides excellent exposure with all specialities to the students.

Co-curricular activities, Cultural and Sports, Workshops, Symposium, Seminars and Conferences are conducted to bring out the best of the students' hidden talents. It's definitely a place filled with standards and fun, where every student Nurse would want to study and flourish in their professional life.

## OVERVIEW

Nursing is an art and science with a unique knowledge and skills by providing a good nurse-patient relationships. Nurses are responsible for promoting and maintaining a safe environment for the patients. Learning is a dynamic life-long process from simple to complex by allowing individuals to develop their human potential.

Nursing Education through integration of classroom theory with clinical practice helps the student to meet the health care needs with nursing process, critical thinking, effective communication, evidence-based practice, advocacy and leadership.

## VISION

The vision of Santosh Nursing College is to promote health and provide quality care to patients by preparing diploma, undergraduate and post graduate as Clinical Nurse, Nurse Manager, Nurse Practitioner, Nurse Administrator, Nurse Educator and Nurse Researcher.

## MISSION

- Promote application of knowledge of students from physical, biological and behavioural sciences, medicine including alternative systems and Nursing in providing Nursing care to individuals, families and communities.
- Promote Nursing care based on Nursing process in collaboration with the Individuals and groups.
- Promote the utilization of the latest trends and technology in providing health care.
- Provide promotive, preventive and restorative health services in line with the National health policies and programmes.
- Develop skills in teaching the individuals and groups in clinical/community health settings.
- Promote effective participation as member of the health team in health care delivery system.
- Develop leadership and managerial skills in clinical/community health settings.
- Encourage practice within the framework of code of ethics and professional conduct, and acceptable standards of practice within the legal boundaries.

# TESTIMONIALS

**Rahul Chaudhary**

My name is Rahul Chaudhary and I am from B.Sc. Nursing 4<sup>th</sup> year student, I am going to share my experience with you that Santosh Nursing College is a great contributor to the development of my personality. I have established my knowledge, my leadership, time management, and team skills and have also been able to advance these skills. The best thing about this college is the cross-culture interaction between students from various parts of the world.

The tutors, professors here have made the college what it is today. With an attitude of being ever ready to help, and not only delivering classroom teachings, but they are also the pillars of the learning that I gained from this esteemed college and this is a treasure for life. Our department conducted various activities every month, which strongly built our skills and collected a lot of achievements. They also make sure that the students are confident enough further in their career. I am proud to be a Santoshian.

**Divya**

My name is Divya. I am a student of Santosh Nursing College, Pratap Vihar Ghaziabad from M.Sc. Nursing batch 2020-2022. I am going to share my experience with you in Santosh has really been good.

The infrastructure is amazing. There is separate hostel facility for boys & girls with a proper mess & canteen. The faculty is very good & very friendly & they give their best to sure that the student learns to their maximum. There is both theory & practical exposure in Santosh. Cultural events are also organised here.

It's great been here at Santosh for that I thank my teachers from the depth of my heart. I am proud to be a Santoshian.
