■ Department of Microbiology

Santosh Medical College & Hospital is a prestigious institution that has been providing quality education for over 25 years. As a part of the Santosh Institute of Allied Health Sciences, the Lab Technology department caters to the needs of students interested in pursuing a career in Medical Laboratory Science. A well-rounded education that not only focuses on academic excellence but also on hands-on experience. The state-of-the-art infrastructure includes well-equipped laboratories, classrooms, and libraries that provide a learning environment for students. The faculty is highly experienced and dedicated to providing high-quality education and hands-on training in state-of-the-art laboratories, which helps them gain practical experience and prepare for their future careers. With the demand for skilled clinical laboratory technicians on the rise, the Medical Laboratory Science programs offer an excellent opportunity for those seeking a rewarding and challenging career in the healthcare industry.

FACULTY MESSAGE

OVERVIEW

Medical Laboratory Science is an essential field of the healthcare industry and an excellent choice for students who are prepared to enter the workforce after completion of the program. It involves the study of various laboratory techniques, principles, and procedures that are used to produce accurate and reliable test results that help doctors make informed decisions vital to disease diagnosis and proper treatment of patients.

The program offered includes DMLT, BMLS (previously known as BMLT), and M.Sc. MLT (Pathology provides clinical, technical, and diagnostic knowledge and hands-on skills necessary to work in a medical laboratory setting. Students will learn about the various laboratory tests that are used to diagnose medical conditions, as well as how to perform these tests accurately and efficiently.

ADMISSION PROCESS:

BMLS admission is conducted through a **Combined Paramedical Entrance Test (CPET)** by **ABVMU, Lucknow**. Santosh Paramedical College & Hospital is affiliated with **Atal Bihari Vajpayee Medical University (ABVMU), Lucknow** providing a BMLS degree. For more details, visit at www.abvmuup.edu.in

STUDENT TESTIMONIALS

“

Mansi Bhardwaj
Batch 2018-19

“I was a BMLS student who graduated in the batch of 2018-2019. Currently, I have been employed at Ved Diagnostics, Ghaziabad where I work diligently to provide quality services to my clients. My expertise in the field of Medical Laboratory Science has allowed me to excel in the career path and make significant contributions to the organization. My success is made possible due to my hard work and faculty enriched my interest in this field. I am proud to be a Santoshian.”

”

Deepak Pal
Batch 2018-19

“I completed BMLS at Santosh Institute of Allied Health Sciences. I wanted to recommend this program to anyone interested in pursuing a career in Medical Laboratory Technology. With my current position as a Technician at Path Lab Metro Hospital, I gained invaluable experience that helped me excel in my career path. If you're looking to expand your theoretical knowledge and practical expertise, Santosh Institute of Allied Health Science is the best institution for the program. With our faculty of experts, you'll be sure to receive the guidance and support you need to succeed in this exciting field.”
